Contain online lecture. Conduct Practice in a court

Personalized learning for all students

Also focus on career point of view, things which will be needed in actual court..., should be taught by teachers.

The curriculum and it's implementation is Correlate the program scope and sequence, program goals, objectives, learning outcomes, and authentic tasks with textbooks and

learning materials. 10. Include learning materials for each learning outcome and authentic task. The Dialogue Technique should be used to guide the ELA writing committee
Excellent no problems everything is perfect , makes sense to me

Students should get help in scheduling their study for exam and for preparation of next semester.

Provide some skill development hour.

All the curriculum activity are good , teachers are trying their best , to give as must more knowledge they can give. 1. I like to suggest that due to covid-19 virus I could not come to college because of increasing the virus on larg amount , whenever the vaccine will be provided then we can come to college, so please till that conduct the lecture online.

Not anything

प्रत्यक्ष प्रात्याक्षिक अभ्यासक्रमावर भर देणे गरजेचे आहे

Good

Do well marks distribution to questions add more information about law & judiciary system in 2nd year BA. LLB semisters

There is always a scope of improvement in everything, so do what stands good for excellent education to the students

Yess

This curriculum development better.

Practical based knowledge is most important along with theoretical knowledge . There are so much partiality between students by particular subject teachers due to this the confidence level in average students causes low so please think about this.

Nothing

Everything is good regarding our syllabus.

Nothing particular

No any Suggestions

Not be satisfactory knowledge given that course duration

Subjects must be organized

Good

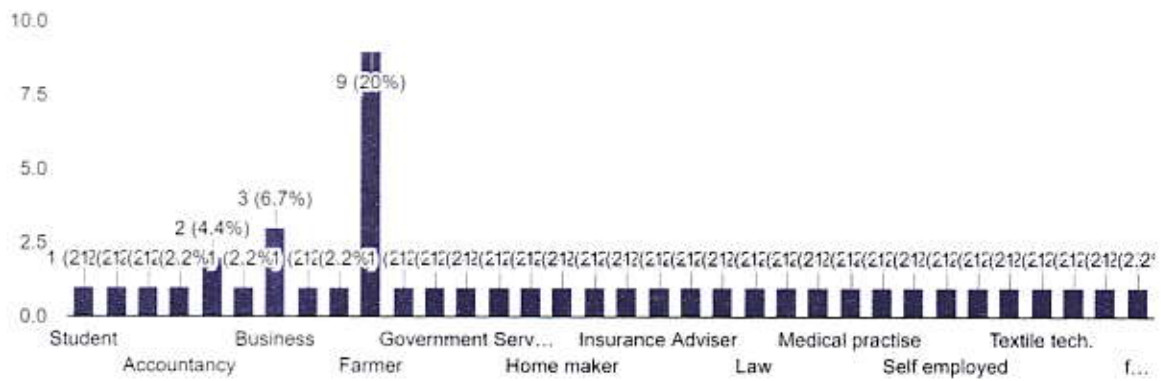

No suggestions. aii things good
