Contain online lecture. Conduct Practice in a court

Personalized learning for all students

Also focus on career point of view, things which will be needed in actual court... should be taught by teachers.

The curriculum and its implementation is Correlate the program scope and sequence, program goals, objectives, learning outcomes, and authentic tasks with textbooks and

learning materials. 10. Include learning materials for each learning outcome and authentic task. The Dialogue Technique should be used to guide the ELA writing committee
Excellent no problems everything is perfect , makes sense to me

...

Students should get help in scheduling their study for exam and for preparation of next semester.

Provide some skill development hour.

All the curriculum activity are good , teachers are trying their best , to give as must more knowledge they can give. 1. I like to suggest that due to covid-19 virus I could not come to college because of increasing the virus on larg amount , whenever the vaccine will be provided then we can come to college, so please till that conduct the lecture online.

Not anything

Good

Do well marks distribution to questions add more information about law & judiciary system in 2nd year BA. LLB semisters

There is always a scope of improvement in everything, so do what stands good for excellent education to the students

Yess

This curriculum development better

Practical based knowledge is most important along with theoretical knowledge . There are so much partiality between students by particular subject teachers due to this the confidence level in average students causes low so please think about this.

Nothing

Everything is good regarding our syllabus.

Nothing particular

No any Suggestions

Not be satisfactory knowledge given that course duration

1. No
 2. Good
 3. No suggestions
 4. Submit
 5. It is good but could be developed a bit
 6. Any thing can accept but no MCQ because , MCQ system don't ask relevant questions
 7. Both
 8. Very nice
 9. Practical Training / Internship opportunities can help students get acquainted with Practical aspects of Law
-
10. Case studies and Group Discussions can be added instead of 20 marks written assignments
 11. Its good and helpful
 12. Attended exam in home for selflife
 13. Give practical training
 14. Students should have more practical exposure including mandatory internships at law firms and in courts. This would highly benefit the students by providing a much better integration of theory as well as practical.
- I believe the current curriculum focuses on rote learning which should be changed with better alternatives keeping in mind of future skill requirements.
 - Assessments should have a credit based system instead of semester pattern and be more accepting of digital modes. Instead of hand written assignments digital variants should be accepted. This could be presentations, essays, papers, etc. This improves digital skills of a student.
 - Further live streams/video recordings of court proceeding should be watched and discussed for better understanding of the intricacies of litigation.
 - The pandemic has invariably forced us to adopt modern technology and digital modes. This should be continued and improved upon as it enable us to have a competitive edge and relevant digital skills

Students Feedback 2019-20 Analysis Summary

15. Courses exclusively over digital mode should be provided similar to those in western universities. Such courses could be on highly specialised areas/skills
16. Attended by exam in Home selflife
17. No
18. Everything is good online lectures. Just change timing of lectures to 10 am or 9.30 am
19. Arrange more seminars and provide more books regarding syllabus and other than syllabus in various languages.
20. Nothing.
21. My suggestion is that we should be taught more practically
22. It is going good.
23. Nothing else.
24. There is a need to emphasize practical knowledge in law field because in tgere is difference between what you study and what you perform.
25. Everything is going well organized and teachers are very helpful.
26. Online leature are difficult to understand
27. Gives information of caselaws & famous cases to students @ the time of lectures due to this students taking interest in study & Automatically improving in their general knowledge.
28. No suggestions....
29. Syllabus should be reduced
30. Provide online mock test
31. More focus need in practicle
32. Very good and nice
33. It's all good.
34. No correction of any course is good
35. Its a best curriculum as per current status of society.
36. Law reformation shall be required after considerable developments in society based on continual improvements and developments of Technology, lifestyle etc.
37. Live court proceeding should be discussed for better understanding of the intricacies of litigation
38. Involvement of specialists in authoring of the curriculum in a democratic way from the beginning.
39. Focus should be more on practicals or presentations and exam pattern must also include MCQs for detailed study.
40. Seminar is not enough to development of the student . Clig should take Activities like debate compitation .Encourage the student to speak new judgments give the platform to the student that they can develop themselves and add some values. Learning is the first step towards earning. So dont ever thing syllabus study is enough to earn . We just want a platform to develop our skills that usefull in our professional Life. So i request to college arrengeing the new activity and open the platform to every student that they can improve themselves. Only seminar is not sufficient .
41. No,thanks
42. No suggestion
43. Yes
44. College should be open for lectures.
45. Not Specified

Students Feedback 2019-20 Analysis Summary

46. Every activities were going on were good and fine ...
47. The syllabus has already changed so no issues so far
48. More practical experience should be given with knowledge of law
49. No suggestion thank you
50. There should be 100 marks paper of law as the subject doesn't need partial training instead a subject of training can be added but the pattern should not be 80 20 or 60 40 it should be of 100 full marks to the external university paper
51. Very knowledgeable lecture
52. मला असं वाटतं की, या विषयावर चर्चा करून किंवा एक मीटिंग बोलावली तर हरकत नाही, आणि स्टूडेंट आणि प्राध्यापक वर्ग सामोरा समोर येऊन दोघांचे बाजू निट ऐकून या विषयावर तोंडगा निघेल असे मत माझे आहे., कारण :-
- मुलांच्या समस्या या प्राध्यापक यांना समजत नाही.
 - प्राध्यापक यांचे म्हणणे मुलांना समजत नाही.
 - या मध्ये मुलांचे बाजू नोट समजून न घेता डायरेक्ट लादली जाते.
53. तरी मला असे वाटते की एक कॉन्फरन्स घेऊन कॉलेज मध्ये मोठ्या प्रमाणात बदल करण्यात यावे आणि स्टूडेंट ला पण फ्रीडम मिळून त्याचा विचार करून योग्य तो व्यक्तीमत्व विकास होईल . माझे कॉलेज वर खूप प्रेम आणि विश्वास आहे , आणि कॉलेजच पण माझ्या वर खूप प्रेम आहे , कारणं मला माहित आहे , की माझे कॉलेज हे खूप भारी आहे , पण थोडा बदल करणे मला महत्वाचे वाटते. धन्यवाद!!!!
54. More practical approach to be needed and to fulfill this various guest lectures and webinar should be arrange.
55. I think college organiza some debet to latest case study suprem court high court decision to help student to interpretation of law and guest lecturer is must if I do some mistakes please forgive me 🙏
56. Not need
57. Court hearings happens in Regional languages, so Syllabus should be in Marathi. This will help students to get connected
58. Remote/online OR recorded study lectures should be think of. Also some court visit through college can be organised after specific interval.
59. Yes
60. Future practice in courts must be first priority during making any changes
61. Home from for exam in secure students
62. Very good
63. No thoughts thankyou
64. Very good..
65. There should have 60/40 pattern for exams.
66. Please increase your internet quality

Suggestions on Curriculum Development and its Implementation. 7 responses

- Practical training should be given more emphasis. There should be implementation of CIE for better evaluation of the students.
- Need of more practical oriented subjects.
- There is need to change in Examination pattern.
- The exams should be made tough in order to motivate students for learning. There can be open book problem solving test in order to test the understanding of the subject.
- It needs some changes in curriculum development and it's implementation
- Curriculum is good but some changes should be made as per requirements while facing some practical approach.
- nothing
