कार्यपरीचय :- अॅड. असीम सरोदे

कायदयाचा वापर समाजासाठी करतांना अॅड. असीम सरोदे यांनी ' सोशियो-लिंगल लॉयरींग ' अर्थात समाजाभिमुख वकीलीची कल्पना प्रत्यक्षात आणली. महाराष्ट्रात कुणीही मानवीहक्क आणि सामाजिक न्याय विषयावर नियोजनबद्ध वकीली कसित नव्हते त्यावेळस १९९९ साली अॅड. असीम सरोदे यांनी मानवीहक्क संरक्षणासाठी वकीली सुरू केली. तसेच पर्यावरणाच्या प्रश्नांवर कुणीही ठरवुन वकीली करीत नसतांना पर्यावरणाच्या विविध प्रश्नांना वकीलीच्या माध्यमातून सोडविण्याचा ठरवुन प्रयत्न करणारेही ते महाराष्ट्रातील पहिले वकील ठरले आहेत.

कायदेविषयक विश्लेषण व कायदयाचे नेमके अन्वयार्थ जाणवारे ' भाष्य लेखक ' म्हणुन अॅड. असीम सरोदे यांनी अनेक वृत्तपत्रे व मासिकांमधुन सातत्याने लेखन केले आहे. मुलभुत अधिकार आणि कर्तव्य यांची सुस्पष्ट मांडणी करतांना त्यांनी समाजातील विविध वैचारीक संप्रम दुर करण्याची मोहीमच ते राबवितात.

प्रचलीत वकीली करतांनाच बलात्काराशी लढणा-या महिला, गुन्हेगारीत अडकलेली माणसं, अपंगत्व आणि एचआयव्ही/एडस सह जीवन जगणारे, वेश्या व्यवसायातील स्त्रीया, वृद्ध नागरीकांचे अधिकार, कारागृहातील कैद्यांचे प्रश्न, कौटुंबिक हिंसाचारग्रस्त व्यक्ती, पर्यावरणवर होणारे आक्रमण अशा अनेक विषयांवर कायदयातुन उत्तर शोधतांना त्यांनी अशा अनेक असंघटित समाजघटकांसाठी न्यायनिवाराच उपलब्ध करून दिला.

जातपंचायतींच्या जाचाविरोधात सर्वप्रथम उच्च न्यायालयात न्यायालयीन लढाई सुरू करण्याचे श्रेय जसे अॅड. असीम सरोदे यांना जाते तसेच अत्यंत पुरोगामी स्वरूपांचा कायदा करण्यात शासनाला सहकार्य करून जात पंचायत विरोधी कायदा आणण्यात अॅड. असीम सरोदे यांचा पुढाकार अग्रणी स्वरूपाचा आहे. त्यांनी तयार केलेला जात पंचायतीविरोधी ' महाराष्ट्र सामाजिक बहिष्कारा पासून व्यक्तीचे संरक्षण ' कायदयाच्या मसूदा सरकारने स्विकारला आणि आज महाराष्ट्र भारतातील एकमेव राज्य आहे जेथे जात पंचायत विरोधी कायदा अस्तित्वात आहे.

सर्व लोकांना जगण्याचा समान दर्जा मिळावा आणि समानतेची वागणुक मिळावी यासाठी कायदयाचा प्रभावी वापर करतांना महात्मा गांधीची सामाजिक न्यायाने ' सर्वोदयाकडे ' नेणारी संकल्पना त्यांनी वापरली असे ते म्हणतात. न्यायालयातील विविध केसेसमधुन कृतीशिल व निर्भय गांधी जगण्याचा छोटासा प्रयत्न केल्याची भावना अॅड. असीम सरोदे व्यक्त करतात.

Padma Shri Jadav Payeng (Forest Man of India)

Padma Shri **Jadav Molai Payeng** born in 1963 is a Mishing tribe environmental activist. He is a forestry worker at **Plant for Planet and Peace (PPP)**, from Jorhat, India. He has done a great service to mankind by working towards saving the environment.

Moved over by the sight of more than hundred snakes dying one after the other due to severe heat on the deserted sandbar, he singlehandedly decided to plant life on eroded island. In April 1979 he started his task by sowing the seeds and shoots offered by villagers. Over the course of several decades, he planted and tended trees on a sandbar of the river Brahmaputra and turned it into a forest reserve. It now boast of thousands of trees including bamboos, many endangered animals, including one-horned rhinos, Royal Bengal tigers, vultures and migratory birds. A herd of around hundred elephants regularly visits and stays in forest for six months every year. His thirty-six years of hardship and dedication has helped him create a forest. The forest, called Molai forest after Jadav Molai Payeng, is located near Kokilamukh of Jorhat in Assam. It encompasses an area of about 1,360 acres per 550 hectares.

In 2015, he was honored with Padma Shri, the fourth highest civilian award in India for his contribution towards society. In October 2013, he was honored at Indian Institute of Forest Management during their annual event Coalescence. Film maker Aarti Shrivastava acknowledged the life and works of Jadav Payeng into a film documentary called "Foresteing life" in 2013. Padma Shri Jadav Payeng was also honored by the School of Environmental Sciences at Jawaharlal Nehru University on 22nd April 2012 for his remarkable achievement. JNU vice-chancellor Sudhir Kumar Sopory honored Jadav Payeng by naming him as "**Forest Man of India**".

मराठा विद्या प्रसारक समाज विधी महाविद्यालयात दि. ५ व ६ जून रोजी पर्यावरण दिनानिमित्त "पर्यावरण संरक्षणाचा दृष्टीने कार्य" या विषयावर दोन दिवसीय ऑनलाईन व्याख्यानमालेचे आयोजन करण्यात आले. या दोन दिवसीय वेबिनारचे उदघाटन नॅशनल लॉ युनिव्हर्सिटी, मुंबई विद्यापीठाचे शाखा प्रमुख डॉ. अनिल वरियत यांच्या मार्गदर्शन पर व्याख्यानाने झाले. या कार्यक्रमाचे अयस्थान म. वि. प्र. समाजाच्या सरचिटणीस आदरणीय श्रीमती नीलिमाताई पवार यांनी भूषविले. तर विधी महाविद्यालयाचे प्राचार्य डॉ. एस. एन. कुलकर्णी, उपप्राचार्य प्रा. चारुशीला खैरनार व इतर शिक्षकवृंद यांनी उपस्थिती लावली.

वेबिनारच्या पहिल्या दिवसीयच्या प्रथम सत्रात डॉ. अनिल वरियत यांनी पर्यावरणाचे संरक्षण यावर काँटिल्य अर्थशास्त्राचा विचार करून आपले विचार मांडले तर सध्याच्या परिस्थितीत पर्यावरणाचा वेगवेगळ्या मार्ग होणारा हास थांबवण्यासाठी सर्वांनी एकजुटीने चळवळीस हातभार लावणे गरजेचे आहे. यावर आपले भाष्य केले. द्वितीय सत्रात नेरी संस्थेचे प्रमुख कमांडर दिपक नाईक सर यांनी "पर्यावरण कायद्यातील तरतुदी" या विषयावर आपले व्याख्यान दिले. पर्यावरणाचे भारतीयांच्या जीवनातील महत्त्व व पर्यावरण जागृती संदर्भात करण्यात येणाऱ्या उपक्रमाचा आढावा घेतला. तसेच पर्यावरण संरक्षणासाठी आपल्याकडे कोणकोणत्या कायदेशीर तरतुदी आहेत याविषयी माहिती देत पर्यावरण कायद्यांच्या उदासीन अंमलबजावणी बाबत खेद व्यक्त केला. सर्वसामान्यांमधील जनजागृतीचा अभाव, भ्रष्टाचार हे पर्यावरण संरक्षणाच्या मार्गातील मोठे अडथळे असून याविषयी भारतातील अनेक स्वयंसेवी संस्थांनी कार्य करण्यास भरपूर वाव आहे. सर्वसामान्यांमधील जनजागृतीचा अभाव, भ्रष्टाचार हे पर्यावरण संरक्षणाच्या मार्गातील मोठे अडथळे असून याविषयी भारतातील अनेक स्वयंसेवी संस्थांना कार्य करण्यास भरपूर वाव आहे असे सांगितले जल - जमीन बचाओ आंदोलन, हिमालयातील मोठमोठे प्रकल्प, त्यांचा पर्यावरणावर होणार अनिष्ट परिणाम, गोरगरिबांचे विस्थापन व पर्यावरणाचा न्हास आणि सध्याच्या आधी विषयावर प्रकाश टाकला.

वेबिनारच्या दुसऱ्या दिवशीच्या असलेल्या प्रथम सत्रात पर्यावरण संरक्षक व ज्येष्ठ समाज सेविका आदरणीय मेघाताई पाटकर यांनी प्रत्येक नागरिकाचा अन्न सुरक्षेचा अधिकार, पर्यावरणावर कसा अवलंबून आहे. यावर अतिशय सुरेखरित्या आपली मांडणी केली. सरकारने शेतकरी वर्गाकडे विशेष लक्ष द्यायला हवे. तसेच शेतकऱ्यांचा पर्यावरणाशी फार जवळचा संबंध आहे. शेतकऱ्यांना शेती करण्यात येणाऱ्या अडीअडचणी, त्यांचे निराकरण, शेतीशी संलग्नित कायदे व सरकारचे धोरण यावर विशेष बदल व्हायला हवेत. तसेच आदिवासी जीवनशैली व पर्यावरणाशी असलेला संबंध होणारा हास यावर बोलताना त्या म्हणाल्या कि, सरकारने सद्यस्थितीत असलेल्या पर्यावरणविषयक नियमांचे व कायद्याचे काटेकोरपणे अंमलबजावणी होते का? विविध स्वयंसेवी संस्था व राजकीय कामकाज यांच्या विचारांमध्ये सुसूत्रता आणूनच आपल्याला रद्दासामुळे जैवविविधतेला

निर्माण झालेला धोका टाळता येऊ शकतो. अन्यथा आताच्या कोरोनासारख्या महामारीमुळे होत असलेली हानी ही अशीच दिवसेंदिवस टिकण्याची भीती राहू शकते हे सांगितले सरकारचे शेतीविषयक धोरण, शेतकऱ्यांचा पर्यावरणाचा असे होता. संबंध, शेतकऱ्यांच्या शेती करतांना येणाऱ्या अडचणी आणि पर्यावरण व अन्नसुरक्षा यासंबंदेन शील मुद्यावरही आपले साकारात्मक मत परखडपणे व्यक्त केले.

सरकाराने शेतीसंबंधीचे कायदे, विशेषतः त्याचा अन्नसुरक्षेवर होणारा परिणाम ह्याविषयावर मार्गदर्शन करत पर्यावरण कायद्याची काटेकोर अंमलबजावणी करणे अत्यावश्यक आहे. यावरही आपले मत व्यक्त केले.

आदिवासी जीवनशैलीतील पर्यावरणाचे महत्त्व विशद करत असतांना, त्याचे "पर्यावरण प्रभाव मुल्यांकन" करणे आणि भावी परिणामांचा विचार करून नंतरच त्या प्रकल्पाना मंजूरी देणे ही सरकारची कशी नैतिक जबाबदारी आहे. ह्याबद्दलही त्यांनी आपली पर्यावरणपूरक मत व्याख्यानातून मांडले.

दुसऱ्या सत्रात पर्यावरणतज्ज्ञ श्री. अतुल देऊळगावकर सरांनी "पौरकानिसर्ग "याविषयावर विशेष मार्गदर्शन केले. त्यांनी आपल्या व्याख्यानात ठळकपणे "ग्लोबल वॉर्मिंग व प्रजाती "आणि त्याचा पर्यावरणसमतोलशी असलेला संबंध कसा आजच्या सर्व राजकीय, सामाजिक, आर्थिक प्रश्नापेक्षा महत्त्वाचा आहे यावरही आपले मत व्यक्त केले. आजच्या वाढत्या कार्बनउत्सर्जनावर एकपरिणामकारक उपाय म्हणून सदाहरित अरण्ये कशी महत्त्वाची भूमिका बजावतात यावर मार्गदर्शन केले. विधीशाखेचे विध्यार्थी म्हणून त्यांनी याविषयावर मार्गदर्शन करत विध्यार्थ्यांना पर्यावरणविषयक जबाबदारीची जाणीव करून दिली.

Under the banner of NAPM she has participated in and supported various mass struggles across India against inequity, non-sustainability, displacement and injustice in the name of development. Her work challenges Casteism, Communalism and all forms of discrimination.^[citation needed] She has been a part of numerous teams and panels that work on initiating and formulating various national policies and enactments including those related to land acquisition, unorganized sector workers, hawkers, slum-dwellers and forest-dweller Adivasis. NAPM filed a number of public interest litigations including those against Adarsh society, Lavasa Megacity, Hiranandani(Powai) and as well as other builders.

Narmada Bachao Andolan and Ghar Bachao Ghar Banao Andolan, founded by Medha Patkar with others are allies of NAPM.

Narmada Bachao Andolan

Main article: Narmada Bachao Andolan

Narmada Bachao Andolan (NBA) is a social movement protesting against the dam on river Narmada which began in 1985 consisting of adivasis, farmers, fish workers, labourers and others in the Narmada valley along with the intellectuals including environmentalists, human rights activists, Scientists, academicians, artists who stand for just and sustainable development. Sardar Sarovar Dam in Gujarat is one of the biggest dams on Narmada where the non-violent people's struggle has questioned social and environmental costs, undemocratic planning and unjust distribution of benefits. The struggle is still on in the Sardar Sarovar affected areas and also other large and medium dams on Narmada and its tributaries. It has led to thousands of project affected families receiving land based rehabilitation and continues to fight against submergence and displacement without rehabilitation of more than 40,000 families residing in these submergence area of Sardar Sarovar till date. Many of its claims and critique on economic, social and environmental aspects of Sardar Sarovar and Narmada valley development project stand vindicated today. Patkar has also questioned the wisdom of the currently popular developmental strategy of linking rivers in India as a means to address issues of water shortage.^[7]

NBA has been running JEEVANSHALAS- schools of life, since 1992 with about 5,000 students having passed out and many graduated. Tens of them are under training in athletics and some have won many awards. NBA also successfully established and managed two micro hydal

projects which got submerged due to SS dam. It has been working in many sectors over last 30 years including health, employment guarantee, Right to Food and PDS, rehabilitation and environment protection.

Ghar Bachao Ghar Banao Andolan

Main article: Ghar Bachao Ghar Banao Andolan

It is a struggle for housing rights in Mumbai, started in 2005 and continues to fight for rights of slum-dwellers and those cheated by the builders in various rehabilitation and re-development projects. It all began when the government of Maharashtra demolished 75,000 houses of the poor in 2005, against its own promises before election. Strong people's movement was founded by Medha Patkar and others when she gave the slogan in a large public meeting at Azaad Maidan Mumbai. It was through mass action that the communities were re-built on the same sites and continue to assert and attain their right to shelter, water, electricity, sanitation and livelihood. As members of working class GBGBA respects the slum-dwellers for contribution to the life of the city and involves them in equitable and inclusive planning for urban development.

National Alliance of People's Movements

The National Alliance of People's Movements (NAPM) is an alliance of people's movements in India, with the stated aim of working on a range of issues related to socio-economic justice, political justice and equity.^[8] Medha Patkar founded the National Alliance of People's Movements with the objective of "facilitating unity and providing strength to peoples' movements in India, fighting against oppression, further questioning the current development model so as to work towards a just alternative". She is the national convener of the NAPM.^[9] <http://napm-india.org/>

Tata Nano Plant Singur

Tata Motors started constructing a factory to manufacture their \$2,500 car, the Tata Nano at Singur.^[10] She protested against the setting up of the plant at Singur, West Bengal. Patkar's convoy was assaulted, allegedly by CPI(M) activists, at Kapaseberia in East Midnapore district while on her way to strife-torn Nandigram.^[11] At the height of the agitation, Ratan Tata had made remarks questioning the source of funds of the agitators.^[12] In October 2008 Tata announced that the factory would not be completed and that the production of the Nano will be set up in Sanand, Gujarat.

Nandigram land grab resistance (2007)

She participated in and initiated various supportive actions including a fast during Diwali in Kolkata, mass-mobilisation, complaints at various national fora and building support of intellectuals and various citizens across the country. The battle was ultimately won in favour of the local people who had to lay their lives in large numbers during state violence.

Lavasa

Lavasa is a project by Hindustan Construction Corporation, in Maharashtra. It is a yet-to be completed city. Lavasa Project is criticised by P. Sainath for unjust use of water in a worst hit farmer suicide state.^[13] Medha Patkar with villagers of Lavasa protested for the environmental damage in Nagpur.^[14] She also filed a PIL in Supreme Court against the Lavasa project.

Golibar Demolition

A demolition took place on 2 and 3 April 2013 in the Golibar area, Mumbai, Maharashtra evicting 43 houses and displacing more than 200 people. The whole project is to displace thousands of families and 50–100 years old communities that are demanding in-situ and participatory housing rights. Medha Patkar with more than 500 slum dwellers set on indefinite fast to protest against any further demolition until the inquiry into the matter is completed.^[15] Patkar has alleged corruption and "atrocities" by builders in the city's slum rehabilitation scheme, and called for the halting of six projects by the Slum Rehabilitation Authority, until a proper inquiry is conducted. The inquiry was conducted giving partial solutions hence communities continue with their struggle.^[16]

Save Sugar-Cooperatives Mission

To save Sugar-Cooperative sector in Maharashtra from falling into the hands of politicians including tens of ministers in the Maharashtra cabinet till 2014, Medha Patkar organised protests. She explained that "the politicians are interested in the prime plots of land, old equipment and machinery," of sugar co-operatives and accused the state government of selling assets of industry at throw away rates. A case against Girna Sugar factory at Malegaon, Nasik, Maharashtra and members of Chhagan Bhujbal Family pending before the Supreme court of India and the unused land of the factory is re-occupied and cultivated by the local farmers who were the donors of the cooperative that was privatized by the former minister purchasing it at throw away price.^[17]

Hiranandani land scam

Medha Patkar along with other activists registered in PIL in the High Court of Mumbai, alleging violations by property tycoon Niranjan Hiranandani in building luxury flats instead of affordable houses. Hiranandani had signed a lease for the 230 acres of land in 1986 at rate of Re 1 per hectare in a tripartite agreement with the state and Mumbai Metropolitan Region Development Authority.^[18] Responding to PIL Maharashtra High Court judges says that "we appreciate the elegance of the construction and the intent on creating an architecture marvel for the city of Mumbai, we see the specific intent of wholly ignoring the most vital, and perhaps the only, condition in tripartite agreement (to create affordable houses of 40 and 80 sq m)".^[19] If calculated according to the current market price, the quantum of the scam will be around Rs. 450 billion.^[20] The judgement of 2012 directed Hiranandani to build 3,144 houses for the low income groups before any other construction at Hiranandani gardens which is yet to happen. The case is at the stage of final hearing at HC of Mumbai.

Kovvada Nuclear project[

Patkar expressed a strong opposition to the land acquisition in Kovvada of Ranasthalam mandal in Srikakulam district, Andhra Pradesh saying that the nuclear plant would be a disaster for ecology as well as people of region.^[21]

Medha Patkar in March 2012

Career in politics[

In January 2004 during the World Social Forum held in Mumbai, Medha Patkar and other members of National Alliance of People's Movement initiated a Political Party People's Political Front^[22] also called as 'Lok Rajniti Manch'. However, Medha did not participate as an active politician, but adhere herself in creating an atmosphere and environment by organising a fifteen days Maharashtra state-level campaign. She was accompanied with two young activists, Maju Warghese and journalist Jaspal Singh Naol (Jal). Meetings were organised under her leadership in each district of Maharashtra. Most of the members had asked Patkar to stand for election, but she denied.

In January 2014, Medha Patkar joined the Aam Aadmi Party, a political party led by Arvind Kejriwal. She and her organisation, National Alliance of People's Movement, provided support to the Aam Aadmi Party during the Lok Sabha campaign.^[23]

Patkar also contested 2014 Lok Sabha election for the North East Mumbai constituency as an Aam Aadmi Party candidate.^[24] She lost, receiving 8.9%^[25] of the vote cast in North East Mumbai constituency, trailing at third position behind Kirit Somaiya (BJP candidate, winner) and Sanjay Patil (NCP candidate).^[26] She resigned from Aam Aadmi Party's primary membership on 28 March 2015.^[27]

In 2016, during the National Convention of National Alliance of People's Movement held at Rashtriya Seva Dal, Pune, Dr Suresh Khairnar, the General Secretary of the National Executive Committee of Rashtriya Seva Dal openly expressed that any political organisation led by Medha Patkar will get full support from Rashtriya Seva Dal. - **Medha Patkar**, (born December 1, 1954, Bombay [now Mumbai], Maharashtra state, India), Indian social activist known chiefly for her work with people displaced by the Narmada Valley Development Project (NVDP), a large-scale plan to dam the Narmada River and its tributaries in the Indian states of Madhya Pradesh, Gujarat, and Maharashtra. An advocate of human rights, Patkar founded her campaigns on two basic tenets in the Indian constitution: the rights to life and to livelihood.

- Born to socially active parents, Patkar grew up in an environment imbued with a sense of social justice and freedom. She graduated with a bachelor's degree in science from Ruia College in Mumbai and earned a master's degree in social work from the Tata Institute of Social Sciences in the early 1980s.
- The background to Patkar's activism took place during the 1960s and early '70s, when the Indian government was promoting dam building as a route to modernization. The harnessing of river water was to provide water for drinking and irrigation and for generating electricity in impoverished areas. It would also, however, displace hundreds of thousands of people. In 1979 the NVDP—which proposed the construction of thousands of dams on the Narmada and its tributaries—was granted approval. In 1985 Patkar visited villages in the Narmada valley that were to be submerged after the completion of the Sardar Sarovar Dam in southeastern Gujarat, one of the largest of the planned projects. There she became aware of indifference exhibited by local government officials toward the people affected by the project. In 1986 she and her supporters organized marches and protests against the local government entity that was seeking financial grants from the World Bank for the Sardar Sarovar project. In that same year Patkar established the organization Narmada Dharangrastra Samiti, which in 1989 became the Narmada Bachao Andolan (NBA; Save the Narmada). The NBA's major aim was to provide project information and legal representation to the concerned residents of the Narmada valley.
- Through the NBA, Patkar sought help for those rendered homeless and without livelihoods because of the construction of the Sardar Sarovar and other large dams along the Narmada. In 1990 Patkar led NBA members and some 3,000 people displaced by dam projects on a march from northern Madhya Pradesh toward the Sardar Sarovar dam site, but they were stopped at the Gujarat border by police and pro-dam activists. However, after further protest and opposition, including hunger strikes, Patkar and the NBA achieved a breakthrough in 1993 when the World Bank withdrew from the project. In 1996 Patkar founded the National Alliance of People's Movements (NAPM), an agglomeration of progressive social bodies opposed to globalization policies. She was a representative to the World Commission on Dams, the first independent global advisory body on dam-related issues of water, power, and alternatives; the commission was set up in 1998 and in 2000 issued its influential final report, which contained recommendations on improving development outcomes. Patkar also worked with local communities to develop alternatives for energy generation, water harvesting, and education, and she created a system of residential and day schools in villages of Maharashtra, Madhya Pradesh, and Gujarat. She was recognized internationally for her work.
